CAGRD FEE ADJUSTOR (continued):

7. By August 25<sup>th</sup> of each year, beginning in 2011, the Company shall submit for Commission consideration its proposed CAGRD adjustor fee for the Tucson AMA along with the calculations and documentation from the relevant state agencies to support the data used in the calculations. Failure to provide such documentation to Staff shall result in the immediate cessation of the CAGRD adjustor fee. Commission-approved fees shall become effective on the following October 1<sup>st</sup>.
8. If the CAGRD changes its current method of assessing fees to some other method, such as, but not limited to, future projections, water usage, or total water allocated to the Company, the Company's collection from customers of CAGRD fees shall cease.
9. As a compliance item, the Company shall submit yearly, a new tariff reflecting the reset adjustor amount.

Pursuant to Decision No. 72635, the new CAGRD adjustor fees approved for all customer billings for water sold subsequent to October 1, 2011 is \$0.76 per kgal. Staff's calculation of the new CAGRD adjustor fee is shown below:

A. 2010 CAGRD invoice	\$263,830
B. Plus under-collection for 2009	74,933
C. Amount to be recovered	338,763
D. Total kgal sold in 2010	446,299
E. Charge per kgal [C/D]	\$ 0.76

VII. BEST MANAGEMENT PRACTICES (continued):

K. Water System Tampering Tariff – BMP 5.2

PURPOSE

The purpose of this tariff is to promote the conservation of groundwater by enabling the Company to bring an action for damages or to enjoin any activity against a person who tampers with the water system.

REQUIREMENTS

The requirements of this tariff are governed by Rules of the Arizona Corporation Commission, specifically Arizona Administrative Code (“AAC”) R14-2-410 and the Arizona Department of Water Resources’ Required Public Education Program and Best Management Practices in the Modified Non-Per Capita Conservation Program.

1. In support of the Company’s water conservation goals, the Company may bring an action for damages or to enjoin any activity against a person who: (1) makes a connection or reconnection with property owned or used by the Company to provide utility service without the Company’s authorization or consent; (2) prevents a Company meter or other device used to determine the charge for utility services from accurately performing its measuring function; (3) tampers with property owned or used by the Company; or (4) uses or receives the Company’s services without the authorization or consent of the Company and knows or has reason to know of the unlawful diversion, tampering or connection. If the Company’s action is successful, the Company may recover as damages three times the amount of actual damages.
2. Compliance with the provisions of this tariff will be a condition of service.
3. The Company shall provide to all its customers, upon request, a complete copy of this tariff and AAC R14-2-410. The customers shall follow and abide by this tariff.
4. If a customer is connected to the Company water system and the Company discovers that the customer has taken any of the actions listed in No. 1 above, the Company may terminate service per AAC R14-2-410.
5. If a customer believes he/she has been disconnected in error, the customer may contact the Commission’s Consumer Services Section at 1-800-222-7000 to initiate an investigation.
